

Mission Ready Package (MRP) – Medical Standby

What is a Medical Standby MRP?

A Medical Standby Mission Ready Package (MRP) is a pre-organized and trained team of Rocky Mountain Medical Reserve Corps (MRC) volunteers equipped to provide critical first aid support, basic life-saving measures, and seamless handoff to Emergency Medical Services (EMS) during public events, emergencies, or community activities.

Services Provided

Our Medical Standby MRP is prepared to respond swiftly and effectively, offering:

- **First Aid** for minor injuries like cuts, bruises, or sprains.
- **Cardiopulmonary Resuscitation (CPR)** for individuals experiencing cardiac arrest.
- **Automated External Defibrillator (AED) Deployment** for life-threatening heart conditions.
- Coordination with local **EMS** for escalated medical needs.

Who Are We?

The MRP team consists of highly trained volunteers, including medical and non-medical professionals, who are certified in CPR and AED use and trained in first aid techniques. Our volunteers are skilled in providing care under pressure and ensuring a smooth transition to EMS when advanced care is required.

Why Choose Rocky Mountain MRC Medical Standby?

- **Professional Expertise:** Our volunteers are well-trained and experienced in delivering immediate, life-saving care.
- **Community-Focused:** We're your neighbors, dedicated to keeping our communities safe.
- **Reliable Support:** Whether it's a large-scale public gathering or a smaller community event, you can count on us to provide compassionate care.

How It Works

1. **On-Site Presence:** Our team sets up a medical station and actively monitors for individuals requiring assistance.
2. **Response & Handoff:** First aid is administered on-site, with critical cases handed off seamlessly to EMS.

Join Our Team!

Interested in becoming part of the Medical Standby MRP? Volunteering with Rocky Mountain MRC offers the chance to make a real difference, build valuable skills, and connect with others passionate about serving their community. Apply here: <https://forms.gle/XLnjBYapCprWVMEF7>
